BRUSHED IMPRESSIONS™ | ENGINEERED HARDWOOD

Celebrating the Timeworn Character and Texture of Brushed Wood

Enhanced using muted stains and delicate color washes, Brushed Impressions combines rustic wood character with a slightly weathered surface texture. The unique weathered look features our Dura-Luster® Urethane finish to resist scratches and stains, for a floor that you will love for years to come.

- Trending wide widths; ranging from 5" up to 9" create an airy and spacious feel to the home.
- Sliced-faced Oak hardwood comes in a wide variety of colors including: delicate, light color washes or deep, warm rich stains.

- A wire-brushed surface reveals the distinctive Oak grain, while creating a uniquely textured surface infused with rustic character and timeworn charm.
- Durable engineered hardwood planks are topped with our proprietary Dura-Luster Urethane finish, which is highly resistant to scratches and stains.
